To Central File:

This is a letter of recommendation for Mr. Irving Stitsky, register number 57309-053.

Mr. Stitsky has been incarcerated at FCI Otisville, New York, since April 27, 2011. He has maintained employment as a Unit Orderly for two years, and now works in Recreation as a Gym Worker. Mr. Stitsky has participated in several Recreation programs and a parenting program through education. He teaches fitness classes five days a week and is one of the institution's fitness instructors. He also officiates basketball games during basketball season. He channels a great deal of his time into maintaining his physical well-being, as well as assisting other inmates with their physical fitness.

Feedback was received from the Drug Treatment Coordinator which indicates he participated in the Victim Impact Workshop which is an eight week program designed to orient an individual in recognizing the impact crime has on victims and the community as a whole. It begins to show an individual how to develop empathy for others and prepares them for the intensive 16 week Victim Impact Program. He completed the workshop on December 19, 2013. The Victim Impact Program is a 16 week program designed to assist offenders in learning about various crimes and the impact it has on victims. They learn how to accept responsibility for their past actions and how to positively contribute to their communities in a way that will help prevent future victimization. They learn this through instruction and by participating in Victim Impact Panels so they can hear the impact their behavior has had on others. He completed this program in September, 2014. The Black History Program illustrates the struggles, dilemmas, and accomplishments of African-Americans throughout American history. Participants will identify how self-destructive behavior can perpetuate negative circumstances such as the cycle of poverty and poor education. Participants meet weekly and engage in group discussions as well as write Reaction Papers on various documentary themes. He participated in the program on March 13, 2013. He participated in an Institution Speaking Jam on February 4, 2015. This program consists of a panel of inmates who are willing to candidly express their responsibility, goals, motivation and overall positive lifestyle change to the rest of the inmate population in hopes that their message will assist others in the progression of self. He continues to share his message with others and maintains his own positive attitude toward his productive lifestyle. He has been on the Waiting List for the Victim Impact Amends Group. This program is the third phase of Victim Impact. It is a 16 week program which allows participants to apply what they have learned from the first two phases of Victim Impact. They take a good look at themselves and the crime that they personally committed and take personal responsibility towards change. By self-reflection, they make amends to society and the community as a whole. They learn to empathize with their victims. They must complete this program in order to be considered as a facilitator in the Victim Impact Program.

He has been on with Waiting List and is currently in training to be a facilitator. He has displayed eagerness and willingness in learning and has completed all tasks asked of him. He continues to seek out additional programming to further his knowledge and practice in living a responsible lifestyle.

Mr. Stitsky also incurred an incident report in 2011 for fighting. Information received from the SIS department indicates that he did not initiate the incident, and that he was actually lured into the law library by two inmates (a white supremacist and a KKK member). One inmate began to strike Stitsky with a lock attached to a belt; Stitsky was able to disarm him and discarded the weapon instead of using it against the other inmate. Once the second inmate took a fighting stance (making it two against one), Stitsky retreated. They indicated the incident did not appear to be motivated by Stitsky and he further indicated that one of the inmates made several Anti-Semitic comments during the verbal exchange. SIS further indicated that Stitsky has been helpful in identifying inmates that have been involved in fights that were not witnessed by staff, and that he provided useful information regarding methods of introduction of narcotics through the visiting room and identified potential players in the introduction of narcotics into this facility.

This letter is to document Mr. Stitsky's commitment to change and desire to successfully re-enter society.

Sincerely,

M. Recktenwald
Warden

- Integrity
- Service
- Respect
- Excellence

Club Officers (1/1/16 - 6/30/16)

President: Mr. Sanford

VP Education: Mr. Marcinski

VP Public Relations: Mr. Stitsky

VP Membership: Mr. Ford

Sergeant of Arms: Mr. Lotz

Secretary: Mr. Byam

Volunteers: Lauren & Ed

ABOUT OUR CLUB

Our club is currently compiled of 32 members; we practice our speaking skills at least three times a month by formulating a 5-7 minute speech which is then evaluated by other club members. During our program meeting we have a section referred to as table topics; these are different subjects that the Topicsmaster presents to the club members. They can volunteer to speak freely on the topic requested for 1-2 minutes. There is often enough time for 4-6 table topics speakers. So far we are proud to announce that Mr. Ford has won a certificate twice for best table topics as well as Mr. Kemp. Members such as Mr. Sanford, Mr. Desear, Mr. Woodfolk, and Mr. Beaudoin have also received a certificate for best table topics speaker.

OUR NEWEST MEMBERS

We, the members of the Otisville Leadership Gavel Club, pledge to support you in your quest for self-development, to provide you with positive, helpful evaluations, to maintain a friendly, supportive atmosphere, to give you opportunities to help others, and to make your Toastmasters membership a rewarding and fulfilling experience.

EVENTS

Three members of our club, Mr. Stitsky, Mr. Johnson and Mr. Sabky spoke at the Volunteer Appreciation Banquet on April 12, 2016. Their focus was on how a volunteer placed a positive impact on their lives.

BEFORE

AFTER

FREQUENTLY ASKED Q&A

Q: Why Toastmasters if I do not plan on giving speeches?

A: Toastmasters teaches leadership, helps an individual to develop confidence, and prepares the individual for challenges in life such as job interviews, meetings, and simple conversations.

Q: What else can Toastmasters prepare me for?

A: Toastmasters teaches parliamentary procedures. It helps you understand how to vote, who or why you may have to answer to, when you are in the work place, and how to deal with situations professionally.

Q: How does credit for speeches

given (communication track), or meeting roles taken (leadership track) within a gavel club get transferred to the former inmate when released and having joined a regular Toastmasters club?

A: The VPE/Sec. maintains the member's progress charts + meeting minutes. Furthermore the Gaveliers have their record and respective manuals. Everything a Gavelier accomplishes as a member of a Gavel Club (Affiliates of TI) counts. Upon Release: a Gavelier just joins a Toastmasters Club on their choice and continues with their quest for whatever Project/Goal they are striving to obtain.

Q: How do your accomplishments get transferred to a regular club?

Does the VPE send a list of names and speeches/roles completed on a regular basis to TI?

A: No the VPE does not report member progress to TI. TI does not track Gavelier's Project or Step completion. TI keeps track of Gavelier's Award Records.

Q: Would TI verify that someone (former gavel club member) has been a Toastmaster and has reached some specific milestones (CC/CL), or has made some percent progress toward those milestones?

A: That is up to the Gavelier to provide copies of his Awards (Certificates) & Letters of Recognition/Recommendation (It is best to have two letters, one addressed to you and one addressed "To Whom it May Concern").
